When our highly qualified and skilled teachers get support from the parents then they can deliver their best to make each and every child stand out from the crowd. Being a research center we work on the unexplored aspects of growth of our Trinitians with the association of our parents .

FACILITIES:

FROM DIRECTOR'S DESK

A pre-school is a cradle that nurtures the young minds to learn to embrace this beautiful world on their own. For it is here that the child takes the first steps, perhaps baby steps towards learning. The time spent at the kindergarten would thus be termed as one akin to laying the foundation for a child. At Trinity our endeavor is to ensure that each student is endowed with the quality and traits that are hallmark of every Holy Trinity student – Confidence, Critical Thinking, Collaboration, Curiosity, Creativity, Compassion and Commitment.

Holy Trinity School offers a safe, positive and productive environment for all our students.

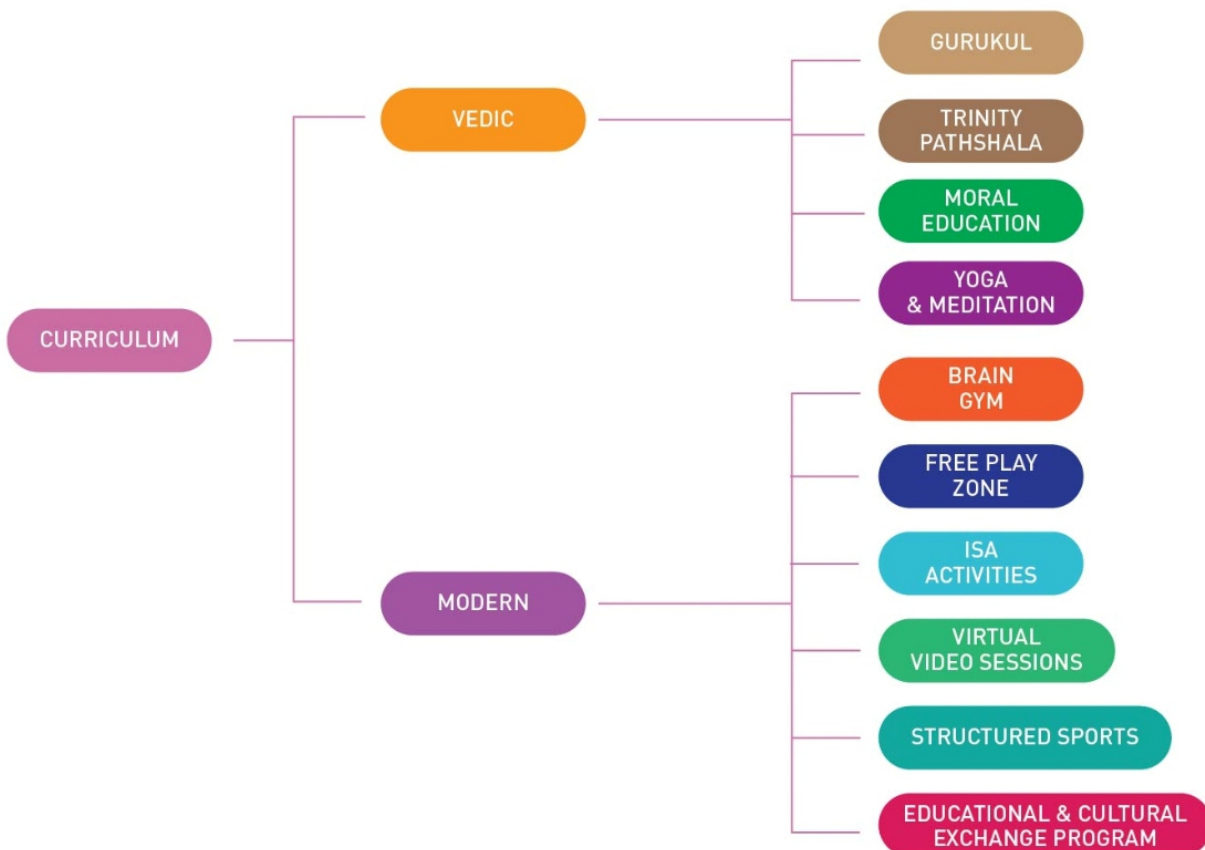

WHY TRINITY?

- All the activities we provide are aimed at working towards the holistic development of the child which includes:
- Focus on human values, character building, environmental challenges and mutual respect that lead to world peace.
- A system of observation and assessment to monitor each child's development in all learning areas.
- An individual record or Learning journey, to celebrate each child's progress.
- Focus on children security.
- First research center of early education.
- First outreach center for National Gallery of Modern Arts, Govt of India.
- International Collaborative Activity based Learning for every Child.

CURRICULUM:

I would say Holy Trinity is the best school in East Delhi with the hardworking, caring and loving teachers. Every kid is given proper attention. Things are explained to kids through different activities. Practical approach to everything. Safety of kids is given utmost importance. I am very happy with my kid's overall development from the time he has started going to Holy Trinity.

Holy Trinity – The name itself brings a smile on our face. Our daughter , Kiyara has completed one year and we are thrilled to share that our shy tiny toddler has become a happy and independent girl now. It is all because of the hard work of the teachers who have been always encouraging. Our sincere thanks to Ms. Ayushi ma'am and Ms. Tanya Handa ma'am. Proud parents of Kiyara Gola.
